### Art class

Charcoal sticks (really cheap)

Charcoal Eraser (kneaded eraser. They come solid, but once you knead them they get gooey sort  
of like putty)

Pencils (Ticonderoga HB2 are good. Art sets with different shades are available as well.)

Mechanical Pencils (0.5 lead size)

Normal Pencil Eraser (Avoid pink erasers. White ones work well.)

Art pens (Staedtler work very well. Tips vary in size and are made of felt. sizes 01 and 03 are  
the most useful. Perhaps it would be better if they did not buy them until I can show  
them exactly what I have in mind. These are the most expensive items on the list.)

Sketch pad (Nothing Huge. 8 1/2" x 11" is good. I use 50lb. texture)

Pencil Sharpener (one per family)
